Hiya Laura

These websites costs me a lot of money to maintain and to enable me to keep them in the open, I am from now onwards seeking Donations from posters here:

https://www.paypal.com/donate/?hosted_button_id=C9MNKPBWP5SWN

It does not have to be much but a gesture of goodwill will go towards me judging whether your motive is simply to spam the website or making a positive contribution to the work of the Conservative Libertarian Publications Limited.

Dear Sir

I never ever do anything with my Company 'The Conservative Libertarian Publications Limited' in terms of its activities in publishing websites(25) and ebooks (214) and developing a Political Party named TCLP-UK without first obtaining legal clearance from the State authorities of the United Kingdom. This has been extremely difficult to determine given that TCLP-UK must remain true to its ethos and principles (that is unadulterated), as shown in the attached document which I have refrained from publishing BRINGING MATTERS TO A HEAD.pdf

JOIN It has now asked me whether I wish to resume the progress of the religion-derived political movement as shown below. I personally feel that I would be continuing to make a contribution to the nation of the United Kingdom if I am allowed to take up the next step offer from JOIN IT. But that is for Kent Police to decide in the first instance, and perhaps the Central London County Court adjudicating on Claim E35YM660.

Yours sincerely

MRS THERESA MAY - PRIME MINISTER OF THE UNITED KINGDOM	1 st Defendant Ref Z1819776/MMX/ HO19

The hearing of the claimant's application dated 23.06.2022

will take place at 10:00 AM on the 20 January 2023 at the County Court at Central London, Thomas More Building, Royal Courts Of Justice, Strand, London, WC2A 2LL.

Time estimate 1 hour IN PERSON before a Circuit Judge

LISTING POLICY: The court's listing policy is determined by the senior judge and implemented by staff in accordance with his directions. Your case may not be allocated to a judge until the day of the hearing, and may have to wait in the unassigned list until a judge becomes available to hear it. Every effort will be made to ensure that your case is heard at this or another convenient court. If it is not possible to provide a judge to hear your case, the court and Her Majesty's Court and Tribunal Service will not be responsible for any costs incurred in the absence of any departure from listing policy due to maladministration.

Parties should be aware that this case may be one of several cases that have been listed to commence at this time. This may mean that your case will not be called immediately at the time scheduled, but may be heard later in the day. We will try to ensure that if your case is listed in the morning it is heard by 1pm and if your case is listed in the afternoon it is heard by 4pm. In some circumstances it is possible that your hearing could overrun. You and any witnesses should therefore be available until the end of these periods or even later.

If there are special reasons why this is inconvenient you may make a short notice application to a circuit judge to adjourn. Ordinary inconvenience arising from the fact of being in the unassigned list will not be sufficient reason for an adjournment, nor will the fact that both parties agree to an adjournment.

ACCESSIBILITY: Please inform us as soon as possible if you, your witnesses or legal representatives have a physical disability that may affect your attendance at this court. We can make alternative arrangements for the case to be heard in a suitable court room by calling the Customer Service Team on 0300 123 5577.

FILING OF SKELETON ARGUMENTS AND TRIAL BUNDLES: Trial bundles (if applicable) should be lodged no earlier than 3 working days before the trial (unless otherwise ordered). All trial bundles should be

The court office at the County Court at Central London, Thomas More Building, Royal Courts Of Justice, Strand, London, WC2A 2LL. When corresponding with the court, please address forms or letters to the Court Manager and quote the claim number. Tel: 0300 123 5577. Check if you can issue your claim online. It will save you time and money. Go to www.moneyclaim.gov.uk to find out more.

clearly marked as being heard by a Circuit Judge. Any bundles delivered by hand can be dropped off at the public counter by obtaining an appointment by ringing the appointment line on 0207 947 7502 indicating that the delivery is for a trial bundle.

Skeleton arguments for this case should be sent by email to CentralLondonCJSKEL@justice.gov.uk. Parties may not send PDF files to this Inbox. Any emails to which PDF files are attached will be deleted without having been opened or read. Furthermore, do not send skeletons by FAX or by any other means unless email is not available in which case explanation must be provided with the document.

CIRCUIT JUDGES FAX OR E-MAIL: Fax 0870 739 4144 (gold fax), email enquiries.centrallondon.countycourt@justice.gov.uk,

In compliance with GDPR requirements, the privacy notice sets out the standards that you can expect from the Ministry of Justice (MoJ) and HM Court and Tribunals Service (HMCTS) when we process personal data about you in the context of civil court proceedings; how you can get access to a copy of your personal data; and what you can do if you think the standards are not being met. Information for people with disabilities visiting the Royal Courts of Justice (RCJ)

At HM Courts & Tribunals Service (HMCTS) we want to provide:

- an experience that works for everyone
- services that people with disabilities can use independently where possible
- services that can be used in a fair way

We know that people with disabilities sometimes need our help and support to use our services. This can mean that we need to provide something different so you can access and use our services in the same way as a person without a disability. We often call this a reasonable adjustment.

What reasonable adjustments can we provide?

We're able to do lots of things that mean that people with disabilities can use our services independently wherever possible and in a way that is fair, for example:

- providing our forms in large print
- providing our guidance in audio or easy read
- making sure hearing enhancement systems are available
- providing a separate waiting area
- making sure ramps and lifts are available.

This list doesn't include everything we can do to help, and we'll always talk to you first about what you need.

If you need help or support in the hearing room, we will also discuss this with the judge hearing your case. Judges are committed to making sure everyone can give their best evidence and everyone has a fair hearing.

How to arrange a reasonable adjustment?

Disabilities affect people differently so we won't always know what will help. If you have a disability that means you can't access our information and services please get in touch with us. You can request help and support as a reasonable adjustment by phone, in person or in writing by:

- emailing RCJ.DCO@justice.gov.uk, or centrallondoncounty.dco@justice.gov.uk
- phoning our Disability Contact Officer 0207 947 6063.

To help us provide the best help and support, you should try to explain how your disability affects you and give as much information as you can. This will help our staff or the judge to consider what you'll need to do during your case and any help we can provide. Our staff will always talk with you and agree any reasonable adjustments you need.

Please note.

Many areas of the RCJ are Grade 1 listed, and this means there may be restrictions to the changes we can make. Some of the areas you will need to access could be a 5 to 10-minute walk from the nearest entrance.

Getting around our building and support before the hearing.

- If you need a **parking space** (blue badge holders only) please contact the Listing Office by letter, e-mail or phone at least 24 hours before your hearing.
- email: RCJ.DCO@justice.gov.uk or centrallondoncounty.dco@justice.gov.uk
- tel: 0207 947 6063

Please include:

- your case number
- car registration, make, model and colour
- your Blue Badge number and issuing authority.
- **Wheelchair access** into the RCJ is available at:
 - West Green (9am - 4.30pm), and
 - Bell Yard North (9.30am - 4.30pm).

These entrances and the main entrance have **intercoms** linked to RCJ Security.

- **Step-free access** (via ramps, stair lifts and lifts) is available to most areas of the building. A map detailing the best routes for step-free access is available at each entrance and/or upon request.
- **Accessible toilets** are located throughout the RCJ. Maps are available but please let us know if you need details in advance.
- If you have **limited mobility**, we have a limited number of manual wheelchairs available for use. You may bring a carer or helper to support you using the wheelchair.
- **Support Through Court** are a charity supporting people who face court alone so that they can represent themselves to the best of their abilities. You can find out more information on www.supportthroughcourt.org or phoning 020 7947 7701.
- **Assistance dogs** are welcome in all HMCTS buildings.

The hearing.

For the hearing itself, we can provide:

- breaks in court proceedings. We will ask the judge to consider your request before your hearing begins

- help with reading and writing court forms. Some court documents can be provided in large print or braille <https://www.gov.uk/government/collections/court-and-tribunal-forms>.
- hearing enhancement systems in some of our courts (and available at reception and at our public counters). We also have portable hearing loops available on request.

Cases are listed in accordance with local hearing arrangements determined by the Judiciary and implemented by court staff. Every effort is made to ensure that hearings start either at the time specified or as soon as possible thereafter. However, listing practices or other factors may mean that delay is unavoidable. Furthermore, in some instances a case may be released to another judge, possibly at a different court. Please contact the court for further information on the listing arrangements that may apply to your hearing.

I am suing the government of the United Kingdom for £150 million pounds from the Treasury of the United Kingdom for damages and compensation over the manner in which the State organised its troops to terrorise me over the past 26 years. The Claim No is E35YM660 at the County Court of Central London with a Circuit Judge adjudicating following the adjournment of the Hearing from 20 January 2023 10.00 am. I have written to the Judge yesterday evening (20 Jul 2024, 23:32) requesting him for Judgment/Directions/Order, on this Case.

To
 Kent Police

Dear Sirs

We have been getting lots of terroristic telephone calls to our Landline and to my Mobile Phone some of which I have reported to the Court of Central London under Claim E35YM660 that may or may not be under consideration of the Judge.

This Sunday morning was exceptionally terrifying as the phone calls started at 6.51 am from 0800 151 2104, and this was followed by another from the same number at 9.50 am and to our Landline briefly, the former appeared to have left a Voicemail, but so terrified I was in my mental state as a mental patient of Britton House, I deleted the Voicemail notification immediately.

Then at 9.55 am the Mobile Phone rang again from a Suspected Spam Caller dialling from 0333 202 7461.

At 11.10 am the Landline rang: my wife picked it up and then put the phone down

At 11.11 am the Mobile Phone rang again from 0800 1512104.

I did not answer any of these Phone calls, as these could have been traps being laid on me to get me to legal difficulties in the same way as the criminal anonymous emails were sent to me and

my relations and associates for a number of years and on which I await the final Report on CO/999/23, from Professional Standards Department of Kent Police.

I am at this stage trying to investigate the nature of these criminal anonymous phone calls as I am reporting them to my Consultant Psychiatrist Dr Emmanuel Oranusi immediately through KMPT.

Then the thought occurred to me, what if the Central London County Court was trying to get a message through to me or even Kent Police.

Please confirm that I was not being contacted through these phone calls by an official institution of the State of the United Kingdom in the first instance so that I then take the necessary action against the perpetrator of the Hate crimes on me and my family.

Yours sincerely

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 8 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman

PO Box 6167

SLOUGH

SL1 0EH

Our telephone number is 0300 555 0333. We are open from 9am to 4pm from Monday to Friday.

Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months.

Supporting you in making a complaint

You can find out more about how we work and how we can help you by visiting our website (www.legalombudsman.org.uk). Here you will find a copy of our complaint form and information about how to complain, along with useful factsheets.

We are committed to making sure the way we work does not put you at a disadvantage so in addition to our legal duty to provide reasonable adjustments for disabled people, if you need any help or support, please tell us about it and we will do our best to meet your needs. We also understand that your circumstances might change, along with the support that you need, so please let us know at any time and we will consider your request.

If you are requesting personal data under Freedom of Information or the Environmental Information Regulations or would like a copy of personal data under Data Protection please email infosec@legalombudsman.org.uk

Visit our website to find out how we use your personal data.

For information on how we handle your personal data, see our privacy notice.

From the specifics of the basic education to the generalities of living are two different things. The biggest complicating factor is the human element in the Environment and unless this is completely understood and a Society then created that is conservative in that it preserves Nature living in harmony nothing can be achieved in terms of sustainability.

First change the fundamentals of Society after you have completed your Masters in the LSC. This means that after your formal education is over, study Humanology and get involved in the government of the country that you live in. If that is the United Kingdom, study its Constitution unwritten as it is for unless you know how the State conducts its affairs, dedicated professional people who are not self-serving but serve the planet work at crossed purposes. Put your knowledge to good use if you can by taking more than an interest in the way the powers of the State are going about their business activities. Set high targets for yourself. Nothing is impossible for human creativity will shine through if you stick to truth, justice and democracy at the background of your considerations while you focus on the technicalities of your educational background. That would be my advice to you Haotian.

You understand the language: now that everything is out in the open, I am abandoning the path of submitting a Petition to the House of Commons Petition Committee until I am certain that Stripe is no longer keeping my Account on hold. This for the reason that Stripe is under the control of the State authorities so are a pawn in what is going on. If the Account does not get established that is the end of the progression of the quest for a Written Constitution in the United Kingdom.

Rupa was told that I should phone Barclays Bank next week. Like hell I will.
